

UNSWORTH ACADEMY

Monday 1st June 2020

Dear Year 10 Parents/Carers and Year 10 learners,

I do hope this correspondence finds you all safe and well.

Further to the letter I sent you just before half term regarding our proposed plans for some face to face support in school, I can now confirm that our offer will not now begin until MONDAY 15th JUNE as per the latest government guidelines. This is somewhat disappointing as we were ready to roll out our offer on 8th June, and we know that so many year 10's are keen to start getting back into school. However, we will get there soon!

The same principle behind the offer still applies:

We are asking secondary schools to offer some face-to-face support to supplement the remote education of year 10 pupils, which should remain the predominant mode of education during this term for pupils in this year group.
(GOV.UK updated 25th May 2020)

As per my letter and the government guidelines, we are still planning staggered start times, individual timetables for all year 10 learners, and small group face to face sessions with their actual teachers in every GCSE subject.

We are not intending to send any timetables out this week because the goalposts may change once again. Our intention is to send out those individual timetables next week. In the meantime please, please push on with your learning from home, and dust down your uniforms and equipment!

Very best wishes

Mrs Armstrong
