Show My Homework Quick Start Learner Guide

Homework Tasks – once you select the task you will be given instructions along with any resources you might need.

The screenshot shows the satchel:one interface. On the left is a purple sidebar with navigation options: Account settings, To-do list, Calendar, Timetable, Gradebook, Notice board, My drive, Support, and Logout. The main content area displays 'Past tense learning homework' for group 9A/Sp1. It includes a description, task description, other information (e.g., 'This homework will take approximately 30 minutes'), and resources to help you (a PDF file 'Yr_9_past_holiday_sentence.pdf').

Contacting your teacher – you can contact your teacher if need. To do this select Results then type and send your message.

This screenshot shows the 'Results' tab of the homework page. A red arrow points from the 'Results' tab in the top navigation bar to the 'Results' tab in the main content area. Another red arrow points from the 'Results' tab in the main content area to a comment box labeled 'Enter your comment below'. A third red arrow points from the top right notification bell icon to the comment box. The comment box includes an 'Attach file' button and a 'Post comment' button.

Once your teacher has replied you will receive a notification.
